

A SEASON OF GROWTH

At Brookstone, we know that all children bear God's image. That is why we seek to glorify God by partnering with under-resourced families to educate children spiritually, socially, and academically for future lives of leadership and service.

"As we celebrate 22 years of Christian education here at Brookstone, I believe our mission has never been more needed in our city and nation. The name Brookstone comes from the Old Testament story of David vs. Goliath. Just as the Lord used David's smooth stone from the brook to slay the giant, our founders believed that a firm faith foundation in Jesus coupled with a sound academically-challenging education are the stones God can provide our students to break the poverty cycle today."

JOHN MURRAY, Head of School, Brookstone Schools

ERB | 2021-22 SPRING SCORES
